

# OFFICIAL COMMUNICATION

## FIS Tour de Ski - Stage 5

The FIS together with the Organising Committee of Oberstdorf, GER and the German Ski Association, have decided to proceed with the 5th stage of the FIS Tour de Ski 2017/18 as planned.

The competition schedule will be as originally scheduled.

**10:15 Ladies' Mass Starts Free Technique**

**11:15 Men's Mass Start Free Technique**

Due to the damage on the planned course caused by the severe weather a different competition course will be used resulting in a slightly reduced lap.

Ladies will still complete 4 laps and the men 6 laps.

The programme in Val di Fiemme remains as planned.
