2. Collegiate or national level racing and/or coaching experience
3. Planning, budgeting and organizing skills
4. Team leadership
5. Strong written and verbal communication skills

Duties include:

1. Guide and develop the overall LWSC Nordic Program structure and vision
2. Athlete education and coaching, with an emphasis on fitness, technique and skill development
3. Supervise and conduct safe, fun and developmentally appropriate practices and activities for each age group.
3. Plan, develop, and implement training plans and practice sessions for high school age skiers
4. Identify strengths and weaknesses of athletes
5. Nurture and develop athletes' potential skills and abilities
6. Analyze and evaluate athlete's performances and modify training programs
7. Maintain scheduling with different age group practices
8. Work with and manage assistant coaches and parent volunteers conducting practices, waxing, events, races, and carpooling.

9. Communicate with athletes and families by email, website, and social media about schedules and upcoming events (LWSC staff will assist in these duties when applicable).
10. Attend races with the team. Coordinate waxing (both classic and skate) and wax testing while at races.
11. Assist in fundraisers and functions over the course of the year.
